

Dutch Lanka World Children's Day Celebration 2025

Dutch Lanka marked World Children's Day by organizing an Art, Poem, and Essay Competition for the children of its employees, providing a platform to showcase their creativity and imagination.

The event was held on 30th September at the DLT factory premises, where an exhibition of all entries took place. A reputed panel of judges evaluated the submissions with care, ensuring a fair and inspiring selection process.

The upcoming prize-giving ceremony will celebrate the winners and their talents. This initiative reflects Dutch Lanka's commitment to nurturing family bonds and encouraging the growth and creativity of employees' children.

Together, we are not just building trailers. we are building a culture of strength, leadership, and courage.
