

The Power of Ownership

LEADERSHIP DEVELOPMENT SESSION

At Dutch Lanka Trailers, ownership is more than completing tasks—it's taking full responsibility, driving initiatives, and solving problems with courage.

We are launching a specialized Ownership Training Program for our executives and managers to nurture accountability, self-drive, and proactive leadership.

By fostering a culture where every team member contributes with pride and passion, we aim to strengthen our people and drive DLT's growth, excellence, and success.

Together, we are not just building trailers. we are building a culture of strength, leadership, and courage.
